

TITLES SHOULD BE CENTERED AND IN CAPITAL LETTERS

Author(s): Smith J., Ivanov I.I. (speaker's name should be underlined)

Institution, Post and E-mail Addresses

(Opening date: 12 April 2022; Submission deadline: 29 July 2022)

Abstracts must meet the following requirements: preferable not more than 1 page including figures, references etc.; written in English; typed in single line space; each manuscript page must be contained within the area 16 cm wide by 23.5 cm high without page numbering.

The title, author(s), and institution should be in the form indicated above. Since the abstract will be photographically reduced to 70% of the original size, the font size should be not smaller than 12 pt, typescripts need to be sharp and black on high quality white paper.

The whole text, including tables, figures, footnotes and references (if any) should be contained within the boundaries as mentioned. Tables should be inserted appropriately in the text with captions above them. Figures should be inserted in the right place. Halftone and colour figures are not acceptable. Figure captions should be typed below the figure.

There will be opportunities for participants to give oral presentation(s) and/or present poster(s). Authors are requested to indicate their preferred presentation on the REGISTRATION FORM. One-page ABSTRACTS will be published in the Booklet before the meeting.
